Mt.Rushmore is 4 hours away...If there is enough interest from the group, we may take the journey there. That would be a long day...So we want this day to be relaxed, and a day of rest and relaxation for our folks who are going. Check back often to find out what we will be doing.

8. **Sunday June 27, 2010**

- A) It is very important that you make preparations to go home on this day. If you are flying we will put you on a Clean Bus that is 1 mile from my house, that will safely transport you right to the airport, and terminal that you will need to check in and fly out of. The cost of this bus ride will be taken care of for you.
- B) The reason I will not be able to take you to the airport is that it is Homecoming at our home church that Sunday.
- C) Our Home church is The Sunrise Baptist Church in Gary, Indiana, where Pastor Clemon Chappell is. If you would like to stay on Sunday for the homecoming, and fly back, or leave on Monday you are MORE THAN WELCOME TO DO THAT! You will have to pay for the additional night in the hotel out of your pocket. If you stay with someone, obviously it will be free! We will have tons of food at the homecoming, so your meal would be free. This would also allow us to get you to the airport on

Monday a little easier.
