Homeward Bound

Verse 1:

The paths of sin I wondered in and lead my feet astray
Old Satan's lies had in my eyes, I could not see my way
My ears were dull on hearing, my heart had stony grown
Until the Savior spoke to me and said Child turn around

Chorus: I found a way that leads to life and joy beyond compare
I've found a cross where Jesus died and left my burdens there
No longer in this world I roam with trouble all around
I'm headed for a better world for I am homeward bound

Repeat Chorus:

I have found a way that leads to life and joy beyond compare
I've found a cross where Jesus died and left my burdens there
No longer in this world I roam with trouble all around
I'm headed for a better world for I am homeward bound

That's Why I Love Him

Verse 1:

My Savior's eyes was filled with tear drops, in sorrow for our sin
Once his voice cried wailing words to ask all sinners in
Then in his hour of torment, He chose to cleanse my soul
He lifted the burdens from my heart, and took them for his own.

Chorus: That's why I'll love him forever and I'll make this promise good
 Knowing that my life's not worth one drop of Jesus' blood
 That's how I heard the story told, more precious than silver or gold
 How Jesus' life was freely given so that someday I could see his heaven
 Thank God I heard him calling me, Thank God he touched me tenderly
 Now I know He lives cause my heart is free
