Isaiah 26:3-4 Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee. Trust ye in the LORD for ever: for in the LORD JEHOVAH is everlasting strength:

Matthew 11:28-30 Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light.

2 Corinthians 12:9-10 And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me. Therefore I take pleasure in infirmities, in reproaches, in necessities, in persecutions, in distresses for Christ's sake: for when I am weak, then am I strong.

No Longer An Orphan

Verse 1:

Once my clothes were ragged, the world looked down on me
I had no hope for tomorrow, nor for eternity.
Then grace came with mercy and heard this orphans' plea
Now I've been adopted from bondage I've been set free.

Chorus: Now I'm no longer an orphan, Someone has rescued me
 My garments no longer are tattered, my family is royalty.

Verse 2:

I came so empty handed, no place to call my home
No one to really love me, but now look what I own.
I'm feasting on the manna that comes from God on high
And there is no shortage, there is a vast supply

Chorus: Now I'm no longer an orphan, Someone has rescued me
 My garments no longer are tattered, my family is royalty.

Chorus: Now I'm no longer an orphan, Someone has rescued me
 My garments no longer are tattered, my family is royalty.

We'll Meet Again

As he broke the bread and blessed their final days
For his time had come for leaving and although he left them grieving
He said I'll return to take you home to stay

There will be a brand new morning in that land
Walk hand in hand (walk hand in hand)

We'll rejoice for death shall end
We'll meet again

Verse 2:

If some morning you awaken And the news has left you shaken
That I've closed my eyes in death and passed away
Don't pay no mind to my coldness Let me say with Christian boldness
I will meet you on that sweet homecoming day

I Wouldn't Take Nothing For My Journey Now

Had a lot of heartache had a lot of grief and woe
When I would stumble than I would humble down

If I could still I wouldn't take nothing for my journey now

The Joy of the Cross

Verse 1:

Black was the sky; the sun would not shine
Golgotha held captive the father of time
For the joy set before him
Despising the shame
No honor was found in his holy name
As time stood there still
With angels on call
Redemption cried out for the end of the love

Chorus: What joy in the cross could ever be found
 Why would such a king dishonor his crown
 What love could reach farther than man's eyes could see
 The joy of the cross for Jesus was me

Verse 2:

King of the Jews; His cross did proclaim
Unknown as a man yet God still the same
From the wedding at Cana to the foot of the cross
The angry crowd cried but still found no fault
With wounds of transgressions for love he endured
Chastisement of peace
Salvation assured

Chorus: What joy in the cross could ever be found
 Why would such a king dishonor his crown
 What love could reach farther than man's eyes could see
 The joy of the cross for Jesus was me

Tag: What love could reach farther than man's eyes could see

Thank You Lord Jesus

There's total redemption in his holy name

Life has not been the same for me, Oh praise his dear name.

Chorus: Thank God it's all over, it's finished forever
Eternal salvation for all who believed
I'm kept by his power and saved by his grace
I thank you Lord Jesus for taking my place.

Verse 2:

He's coming again and it may not be long
To take his dear children to that promised home
There'll be no more dying Or heartaches to bear
Yes it will be heaven and my Jesus is there

Chorus: Thank God it's all over, it's finished forever
Eternal salvation for all who believed
I'm kept by his power and saved by his grace
I thank you Lord Jesus for taking my place.
